Hi Cassie,

Thank you so much for all your hard work! I think this was a total success and I am thrilled with the work that you did. I will definitely call up Tancie again and request you in the future as I do see this as something to keep up with every few months at least.

Again, I so appreciate the dedication, professionalism and attention to detail that you gave to my business.

Best to you,
Cynthia

Hi Cynthia!

Ok so I made over 50 calls today + about 15 emails and got a hold of another 20 buyers. The other 30, there was only like 5-10 that I actually left a voicemail, the others I actually spoke to someone at the store. Also on every voicemail I did mention the website on their machine.

I did reach my 20 hours today, however if there is still stuff you would like me to do ...dont hesitate to ask! I do think you will receive many orders from this phone blast!

Please let me know if you have any questions!

Thank you so much!
Cassie
